**Community**  
**Participation/Volunteerism**

The Mental Health & Substance Use Advisory Committee is a county-based planning group, which advises the Warren County Department of Human Services, Division of Administration, which in turn advises the Warren County Board of County Commissioners on substance use services and programs in the county. The Advisory Committee develops coordinated plans for the development, implementation and provision of prevention, education and treatment needs for residents of Warren County.

If you have any questions or are interested in participating in this county-based advisory group, please call the Division at 908-475-6331.
